## MEMORANDUM FOR THE RECORD

SUBJECT: Human Subjects Review Panel Procedures

On 24 May 1983 [ ] OGC Advisor to the Panel, and I met with [ ] the Executive Director for purposes of discussing Panel activities with him, and soliciting his views on procedures for forwarding the Panel recommendations to the Director of Central Intelligence. We discussed the history of the yellow rain project, using that activity as an example.

[ ] expressed an interest in being on the routing slip of all Panel communications with the Director. In view of the Panel's dual role of serving as advisor to the DCI on one hand, and of representing the various directorates on the other, the Executive Director felt that direct communication with him would be appropriate and with Panel members providing copies of Panel communications to their directors as appropriate. In the event that any project classifications included such handling, the Deputy Director concerned could be informed that this was the case. In this way the classification requirements could be observed and the Deputy Director could look further into the matter if he felt such action was appropriate.

Because the Panel was formed at the Director's request through the Deputy Director for Administration, [ ] and I met with Mr. Fitzwater, the Deputy Director for Administration, on 10 June 1983 to discuss this information with him. Mr. Fitzwater has no difficulty with this procedure.
